March 19, 2008

Ms. Mary Whitfield, PMP

The Project Management Institute -Greater New Orleans Chapter presents annual awards to those who support the practice of Project Management and the work of our Chapter.

The Board of Directors is proud to make this presentation. This award is ONLY for OUR members and it is ONLY to a PERSON.

The Chapter Service Award recognizes personal achievement, personal dedication, and personal commitment to something bigger than oneself.

It is with great pride that the PMI -Greater New Orleans Chapter presents you with a well earned Chapter Service Award.

You gave four years of service to the Chapter Board of Directors from 2003 – 2006. Every task that you accepted was completed with success and delivered with your utmost graciousness.

As a former VP of Communications, you completed the second generation of the chapter's website. This was the contact to our members that lasted for several years. As VP of Education, you initiated the first Study Group to guide our members through project management principles in preparation for certification. You coordinated seminars for our members with valuable lessons in leadership and how to grow the chapter. You also presented our members with a job fair that gave opportunities to introduce project managers to future employment opportunities.

You have been a true Project Management Professional in advocating the practice of project management to your long-time employer, the Department of the Navy. You have encouraged and trained so many of your peers that owe their professional development to you.

Mary, please accept our "2007 Chapter Service Award" with great gratitude. You deserve it:

Respectfully,

Ana Boudreaux

Ana Boudreaux, PMP
President
PMI-Greater New Orleans Chapter

We have two additional awards tonight, but our recipients are both out of town.
